CLIENT: SOUTH GLOUCESTERSHIRE COUNCIL

**What's on the menu AT BRIMSHAM GREEN SECONDARY SCHOOL?**

We are Integra, the trading arm of South Gloucestershire Council and as your catering provider we're proud to provide students with nutritiously prepared, great tasting and nutritious meals. This leaflet gives you an overview of the catering services at your school and what you can expect from us.

We're passionate about food quality and strive to create healthy meals cooked with fresh ingredients every day, with menus prepared in consultation with the Council's and Wellbeing teams, as well as students. Our aim is to make all of our meals something which students look forward to in their day and believe our service is integral to supporting students' overall health and wellbeing.

Please take a look at our current menu below, as well as a timetable which shows food options available throughout the school day. To sample a free school meal on your favourite day please cut out the coupon at the back of the leaflet and give it to one of our kitchen staff.

**What we offer**

- Healthy menu options developed and continuously reviewed to encourage positive eating habits, with 80% of our food prepared from scratch.
- Good value for money and competitive pricing.
- A wide range of fresh, wholesome and locally sourced products which include a range of fairly traded items. We also have a GM free policy.
- Three weekly menus published to promote independent choice, all including vegetarian options.
- All our menus are developed in consultation with South Gloucestershire Council's Health and Wellbeing team, as well as students themselves.
- The same regular menu choices for free school meals students.
- A clear audit trail across all of our sourcing and purchasing processes.

**FOOD WASTE RECYCLING BINS**

The brown bins are for food waste recycling and are emptied every week. Your food waste is recycled to produce energy and a soil conditioner used on farmland. All food waste must be in a plastic bag (e.g. carrier bags) or compostable bag. You can use any normal plastic bag to line your kitchen caddy.

**Yes please**

- peelings
- bones
- egg shells
- tea bags
- coffee grounds
- cooked and uncooked vegetables
- fruit
- meat
- fish
- paste
- bakery goods
- dairy products (except liquids)
- leftovers
- food that's past its use by date or has gone off
- unwashed pet food

**No thank you**

- Liquids e.g. oil, milk, juice
- Packaged food - please take the packaging off before putting into the recycling bin

If you have any problem with your bin store, email [streetcleaningsouthglos.gov.uk](mailto:streetcleaningsouthglos.gov.uk), visit [www.southglos.gov.uk/reportit](http://www.southglos.gov.uk/reportit) or call 01454 866000.

Publicity material to promote the Organ Donor Register

**NHS**

# Give the gift of life

Around 3,000 lives are saved every year through organ donation.

However more donors are needed, especially from the Asian community who are at least three times more likely to need a kidney transplant than the rest of the population.

Some people think their faith forbids organ donation but all the UK's major religions support it.

If you want to be a donor, tell your family and join the NHS Organ Donor Register. It only takes a few minutes but you could save a life.
